FEE STRUCTURE 2025-26

The academic year 2024-25 had been a very challenging year for the management to meet the financial needs. In order to meet the forthcoming challenges and expenses for the year 2025-26, the School Management has decided to revised the fee structure in the process of providing the best education as a part of our continued endeavor.

Indeed, we appreciate and thank all the parents for timely payment of school fee that enabled us to function smoothly. Despite financial challenges as there were cases of non-payment of fees by many parents, the school, under its mission, kept its flame burning and continued imparting knowledge to the students. We appeal the parents to partake in educating their wards by shouldering us, may it be in terms of PTM, regular monitoring of their wards, supporting teachers, management or clearing all the pending dues in time.

The management requests you to clear all the dues, if any, before 17th March, 2025.

Fees can be paid through Online/Demand Draft/Cheque. Kindly note that as per the school policy, no cash transactions to be done in the office for the payment of fees under any circumstances.
