

Syllabus and Lesson Planner

Class	III	Annual Syllabus (2026 - 2027)		
Subject	Mathematics	Date	Month	Weeks
Tr's Name	Sisi Reji	Topic		
Ch.No.	Name of Chapter			
1	Numbers up to 9999	4-digit Numbers, Write in words and in figures,	April	2 weeks
		Face Value and Place Value of a Digit in Number		
		Expanded form and short form, Successor and Predecessor of a number		
		Comparison of numbers		
		Forming numbers		
		Even and Odd numbers		
		REVISION		
2	Addition	Addition	April	1 week
		Addition of two and 3 digit numbers without and with carry over		
		Properties of addition		
		Word Problems		
		REVISION		
3	Subtraction	Subtracting 2- and 3- digit numbers without and with borrowing	April May	1 week
		Properties of subtraction, Addition and subtraction together.		
		Word Problems		
		REVISION		
		UNIT TEST-1	MAY	1 week
4	Multiplication	Multiplication tables, Multiplication table by skip counting patterns	June	2 weeks
		Properties of multiplication		
		Doubling and Tripling		
		Multiplication of 2 digit numbers by 1 digit. (without and with carrying)		
		Word Problems, Estimation in multiplication		
		REVISION		
5	Division	Division as equal sharing, Division as equal grouping	July	2 weeks
		Division as repeated subtraction		
		Division Terms, Division as Inverse of multiplication, Properties of division		
		Division using tables and Long Division Method		
		REVISION		
6	Money	Expressing money in Short Form, Conversion of money	July August	2 weeks
		addition of money		
		Subtraction of money		
		REVISION		
		UNIT TEST 2		
7	Geometry	Basic shapes, (Plane Figure)	August	3 weeks
		Solid shapes, Tiling, Tessellations, Dot-grid		
		Tangrams, Using Maps		
		REVISION		
		REVISION FOR SEMESTER - 1 EXAMINATION		
		SEMESTER - 1 EXAMINATION	SEPTEMBER	
		Measures of length, Measuring with a scale		
		Drawing line segment of Required Length		
		Conversion of Metres into Centimetres and vice versa		

8	Measurement of Length	Addition of Lengths, Subtraction of Lengths,	October	3 weeks
		Word Problems		
		REVISION		
9	Measurement of mass	Measurement of Weights	November	2 weeks
		Addition and Subtraction of Weights		
		Conversions (Gram To KiloGram,Kilogram To Gram)		
		Word problems		
		REVISION		
10	Measurement of capacity	Measurement of Capacity	December	2 weeks
		Conversions (Litre To Millilitre,Millilitre To Litre)		
		Addition and Subtraction of Litre And Millilitre		
		Word problems		
		REVISION		
		UNIT TEST -3		
11	Measurement of Time	Reading Time from a Clock	December	1 Week
		Duration of an Activity		
		Reading a Clock		
		Digital Clock and 24 Hours Clock		
12	Data Handling	Data	January	3Weeks
		Pictographs		
		Tally Mark		
		REVISION		
		UNIT TEST - 4		
13	Patterns	Patterns using Square Sheet and Grid of Dots	February	3 Weeks
		Shapes in a Pattern		
		Number Patterns	February	1 Week
		Revision		
		SEMESTER -2 EXAMINATION	March
