The cultural programme based on the theme 'La Vita E Bella- the infinity within' began with a welcome dance on rhythmic moves by the junior gymnasts of the school. Thereafter, the ambience was filled with a musical overture followed by the drama eulogizing the peculiar traits of the Madrigal family (Encanto) that exhibited the story of a family with superpowers giving a lesson to how to use the powers for the benefit of others without being selfish. It was beautifully displayed by different dance forms like horror act, contemporary etc. The zealous performance of bhangra left everyone spell bound.

The school premises were very well embellished with eye candy props and flexes. The stunning art work of the whole team added beauty to the environment that magnetised the audience.

The parents were satiated and elated with the performances of their children. They were overwhelmed with the striking performances and the level of confidence of little xavierites. Fr. Remy Cardozo and Mr. Garg congratulated the school management for organising such a stellar event. Mr. Garg also added that such themes will not only bring a positive change in the outlook of a child but will also change the society as a whole. Rev. Fr.
