Updated School Calendar and Working Day Adjustments

Dear Parents, Students, and Staff,

As per the school calendar, the Puja Holidays were scheduled from 29th September to 2nd October 2025.

However, considering the travel plans of many families and the importance of the festival, the school administration has decided to **extend the holidays until Saturday, 4th October 2025**. This is to accommodate those who may find it difficult to return by Friday, 3rd October.

- **School will reopen on Monday, 6th October 2025, and it will be observed as Day 1.**
- To compensate for the missed class days, **full-day classes** will be held on the following two Saturdays:
11th October 2025 & 18th October 2025
- **Attendance on these two Saturdays is mandatory** for all students and staff. **Students taking unauthorized leave may face penal action.**

We appreciate your understanding and cooperation.

Wishing you all a joyful and refreshing festive season!

Warm regards,

Principal
