

# **ST. XAVIER'S SCHOOL, HAZARIBAG**

## **Notice**

The First Semester Examinations are scheduled to begin in mid-September 2025. St. Xavier's School, Hazaribag, has always upheld high standards of discipline in both scholastic and co-scholastic areas, which are among the foremost reasons why parents choose this institution for their children.

In this regard, all parents and students are reminded that any student found using unfair means during the examinations will be immediately barred from writing the remaining papers. Depending on the seriousness of the case, the student may either be required to repeat the class or, if necessary, be asked to withdraw from the School, keeping in mind his/her overall growth and betterment. Attempt to use unfair means is as serious as actual use of unfair means.

We urge parents to guide and support their wards in preparing honestly and sincerely for the examinations. Academic honesty and discipline are non-negotiable values of our School, and no requests for reconsideration will be entertained in such cases.
