Dear Alumni/ Alumnae,

Subject: Exciting Announcement – Digital Museum Initiative

We are thrilled to introduce a ground breaking initiative at our school – the Digital Museum. This unique project aims to preserve and celebrate the legacy of our institution by documenting significant events, milestones, and the journeys of our esteemed alumni.

As part of this initiative, we will create a digital archive featuring every student who has graduated from our school. When visitors explore the museum, they will be able to search for alumni and view their profiles, ensuring that your contributions and achievements are remembered for generations to come.

To be included in the Digital Museum, we kindly request you to share the following:

- 1. Your school photograph**
- 2. Your professional profile picture**
- 3. Your recent photograph (perhaps you with your family).**
- 4. Any other school related photographs.**
- 5. A brief profile highlighting your journey and achievements**
